

LOCAL-01

Azure Local Discovery Day

DURATION

1 day

FORMAT

In-house or remote, hands-on in the enterprise lab · German or English

AUDIENCE

Teams that want to touch Azure Local before they decide: one day on a real cluster instead of a slide demo.

Certification anchor: No exam focus: this day is the baseline before FOUND-05 or the OPS tracks.

OUTCOMES

- ▶ Understand the Azure Local architecture on a real cluster
- ▶ Experience the deployment flow and management layers live
- ▶ Trigger and observe your first failover yourself
- ▶ Map your own use cases with the trainer

AGENDA

Morning

Architecture overview, cluster walk-through in the lab, deployment demo

Afternoon

Hands-on: VM operations, update run, failover exercise, Q&A on your scenarios

YOUR TRAINER

Dino Bordonaro

Microsoft MVP for eight consecutive years (award categories Microsoft Azure and Cloud and Datacenter Management), Microsoft Certified Trainer, almost 30 years in IT. Trains Microsoft partners, among others for the ADN distribution. His strength: he connects sales and technology. Pricing models, objections and architecture in a language that decision makers and engineers both understand. More than 800 professionals trained, every concept proven in his own enterprise lab in a TÜV-audited datacenter.

€4,950 plus VAT

Flat rate per date for up to 12 participants, in-house or remote.
